Best of Luck at Denver, Brandi!!

Brandi Valek will be running the the 2005 title of National Queen at the Denver Stock Show in January. We wish her the best of luck in the competition. Brandi has promoted the Polled Hereford breed for the past year as the 2004 Kansas Queen. Her travels have taken her to may local shows, 2004 Jr. Hereford Expo in Tunica, MS, Kansas State Fair, Kansas Beef Expo and she will end her carrier as the KPHA Queen in Denver. Brandi is the daughter of Mick and Donna Valek of Agenda, KS. Anyone going to Denver make sure to cheer Brandi on as she leads classes in and hands out ribbons. Best of Luck from the Kansas Polled Hereford Association.

AHA Honors Golden and Century Breeders

The American Hereford Association (AHA) recently rolled out the red carpet to honor families who have stood the test of time and are dedicated to the Hereford breed. Golden and Century honorees have been breeding registered Hereford cattle for more than 50 and 100 years. Honorees, family and friends were treated to an open house and reception at the AHA headquarters on October 24 and were recognized at the AHA Annual Membership meeting on October 25 in Kansas City.

More than 400 Hereford families were honored as either an American Hereford Association Golden or Century Award Recipient. Each honoree has maintained an interest in the Hereford breed from 50 - 100 years and continues to remain active within the association.

The Hereford cattle, and the families who believe in them, have been an influential part of the development of the beef industry and especially the Hereford breed, said Jack Ward, American Hereford Association's Chief Operating Officer and Director of Breed Improvement. The Golden and Century Awards represent a tremendous milestone that very few families who are involved in production agriculture rarely see and we commend the

dedication and longevity of these families.

The American Hereford Association is the second largest purebred beef registry in the nation with 10,474 members and 68,826 head of cattle registered in the 2003-2004 fiscal year

One Kansas Polled Hereford Family was honored as an Century Award recipient which was Sutor Hereford Farms of Zurich, Kansas. Sutor Herford Farms has stayed active in the breed through the years. Darla Moore is one of 3 daughters of Darrel and Joy Sutor. Darla and Charlie Moore have brought all three of their children up in the Hereford breed through showing and promoting the cattle. Their children are Dana Peiper, Kevin and Shelli Moore. Dana and her husband, David, now manage and live on the Sutor Farm. Watch the Hereford World March issue for the Sutor article.

The Kansas Polled Hereford Association had a number of breeders recognized as Golden Award recipients. They are as follows: G&R Polled Herefords, Marysville; Springhill Herefords, Blue Rapids; Umberger Polled Herefords, Rozel; B.L. Williams, Lincoln; Walnut Grove Farm, Agenda; Alfalfa Lawn Farms, Larned; Brannan & Reinhardt, Bison; and Donald Riffel & Sons, Enterprise.

We are very proud of our Breeders who have received the Centruy and Golden Awards. When you see one of the recipients tell them congratulations.

AHA President, Richard Hudson, Passes Away

Richard Hudson, president of the American Hereford Association, passed away suddenly Monday evening, December 20. Richard suffered a fatal heart attack while attending a University of Arkansas basketball game in Fayetteville, Ark., with three of his grandchildren.

The American Hereford Association board of directors, its staff and the many breeders that were fortunate to have known Richard and his family are saddened by the loss of one of its finest people.

Richard and his son, Wes, were partners in Hudson Herefords, which was founded by Richard's father in 1939. He graduated from the University of Arkansas with a major in animal science. A very successful businessman, Richard later became involved in his own real estate and construction business. He was also involved in banking and hotel development in conjunction with establishing one of the premier Hereford herds in North America.

A pillar of the Harrison, Ark., community, Richard served on several boards, including North Arkansas College Public School board, North Arkansas Medical Center, two bank boards and one savings and loan board. Richard was a deacon and treasurer of his church and all of those who knew him were touched by the way he lived and his sound and thoughtful judgment.

Richard is survived by his wife, Freida, their four children, Sharon and Jerry Smith, Ralph and Lisa Hudson, Wes and Shellie Hudson and Sarah and James Breedlove, thirteen grandchildren and one great-grandchild.

Kansas Gears Up for Junior Hereford Regional

Kansas will play host to a Junior Hereford Regional, June 10-12 in Hutchinson. The Kansas juniors would like to invite Hereford youth and their families from across the region to join them for the Sunflower Drive in 2005. The show and activities will be at the Kansas State Fairgrounds in the new Prairie Pavilion that was first used at last year's state fair.

The weekend event will be structured similar to the Junior National Hereford Expo. Competition will be offered in the owned heifer, bred-and-owned heifer, cow-calf pair, bull, steer and showmanship divisions. Juniors will also have the opportunity to enter the speech, poster and photo contests. Activities for the little ones, who come along, are in the planning stage.

Opening ceremonies are tentatively scheduled for Friday evening followed by fun activities for kids of all ages. The actual schedule for the three-day event will be announced later.

Visit www.kansaspolledherefords.org for more information as it becomes available. Hutchinson is a busy city in the summer with many family activities. The Kansas Cosmosphere and Space Center is a must for anyone who has never been there. Salt City Splash Aquatic Center is a definite attraction for the young who like to splash in the water on a hot day. Check out these and other attractions on the city's Web site at www.visithutch.com.

The steering committee is in the process of booking room blocks in the Hutchinson area. Visit their Web site and look for future news releases with information as it is released.

So while planning for family trips in 2005, include one to Kansas to participate in the Sunflower Drive in 2005 at the Junior Regional Hereford Show, June 10-12. For more information, visit www.kansaspolledherefords.org or e-mail Sue Rowland at suellenrowland@hotmail.com

Western Nugget National Hereford Show Attracts Record Numbers

The Western Nugget National Hereford show has grown to become a must attend for western Hereford breeders and draws exhibitors from across the county. This year record numbers were exhibited with 247 total head and 139 horned entries and 108 polled entries showing in Reno, Nev., December 3-4. Dan Hoge, Kewanee, Ill., judged the show with great enthusiasm. He was sincere when he said in the final drive of the show, "The future of the Hereford breed has never been in a better position."

Despite the cold temperatures, competition heated up when the champions were crowned. Brady Jensen, Courtland, Kan., showcased the efforts of his young breeding program, which paid big dividends at the Western Nugget National Hereford show. Jensen's junior bull calf, co-owned with Kyle Perez, Nara Visa, N.M., took the grand champion spotlight. KJ BJ Bounty Hunter 741P is sired by KJ 520E Victor 417L and this win sets the stage for an exciting show career.

Kyle Perez added the reserve grand and yearling champion bull. KP Gold Plus 302 was with Acasa Farms, Sunset, La., and is sired by C Pure Gold 0140. UPS Miss Venus 1ET by Remitall Kootenay 9K was named the Champion Horned Female, shown by Upstream Ranch of Taylor, NE while Katy Forester of Oregon lead out C 026 Ms Dom 3121 to claimed the reserve honors.
