KPHA Participates in 2006 Cattlemen's Day

More than 1,300 beef producers, allied industry representatives, K-State staff and students participated in the 2006 K-State Cattlemen's Day. The Kansas Polled Hereford and Hereford associations had a joint booth in the trade show.

Kim Schmidt, KPHA secretary/treasurer, and other Hereford breeders were available in the booth to answer questions and "talk Herefords" with many producers and students.

The program included a symposium on Animal Identification Systems. The afternoon breakout sessions included: Synchronization Strategies, BVD and other Transitional Diseases, Impact of Cattle Management Strategies on Retail Yield and Carcass Value, Agricultural and Food Biosecurity at K-State: From Texas Fever to the Biosecurity Research Institute, Future Technologies for Enhancing Cattle Growth, and Beef Market Update. For more information, visit www.asi.ksu.edu.
